

QUALITY POLICY STATEMENT

Neilcott are committed to achieving and maintaining a system of operating procedures that will reflect new and potential customers and existing clients, the competence of the company to deliver bespoke, flexible construction solutions of assured quality.

The achievement of this policy involves all employees who are individually responsible for the quality of their work, and to each of whom this policy has been issued and explained.

The company is wholly committed to continual improvement of its quality management performance.

The object of the Integrated Management System is:

- To maintain an effective system of work
- To achieve and maintain a level of quality which enhances the company's reputation with clients
- To ensure compliance with relative statutory and safety requirements
- To establish objectives that are both monitored and measured
- To endeavour, at all times, to maximise customer satisfaction with the services provided.
